EXPERIENCES

FBLA

Vice-President

FBLA is an organization aimed at giving business and technical experiences to middle and high schoolers. In my position I am in charge of planning events, putting together presentations for FBLA competitions, and creating groups intended to teach skills.

Volunteer IT

Volunteer IT Specialist

At East Paulding High School I have time and time again volunteered my time as an IT Specialist, doing work such as: troubleshooting, virus removal, disk formatting, OS replacement, scripting, and small database administration.

EDUCATION

East Paulding High School

I am student at East Paulding High School set to graduate in 2017.
